Intersnack

## Junior Packaging Expert (all gender)

Düsseldorf or Cologne

Full-time

### About us

People throughout Europe enjoy savoury snacks made by the Intersnack Group every day. With an annual net sale of € 2.8 billion Intersnack Group is one of the leading European manufacturers of savoury snacks. Our Intersnack Group packaging team has a great opportunity for a Junior Packaging Expert (all gender) at the Dusseldorf or Cologne office.

As part of our group-wide team, you will be responsible for the organisation in terms of development and implementation of global packaging initiatives and strategies, as well sustainable packaging projects.

In this role, you will work closely with Region Packaging Teams, Operations, Engineering, Purchasing and Group Procurement to create new business opportunities and develop packaging solutions and has a direct line to Head of Group Packaging Innovation. If you have just completed your studies, it is also possible to start as a trainee.

### Main Responsibilities

- Active involvement in the development and implementation of global packaging initiatives and strategies, as well sustainable packaging projects
- Own set of responsibility for a specific project, e.g. define set packaging standards, sustainable packaging, e.g. use of recycled plastic, recyclability assessment, alternative packaging materials etc.
- Intensive monitoring of the market, analysis and transfer of market trends to our packaging portfolio
- Assistance in the creation and maintenance of packaging standards in existing systems
- Evaluation of packaging data for setting standards
- Development of concepts and packaging ideas in close collaboration with internal and external stakeholders, e.g. marketing, purchasing and packaging suppliers
- Preparation of management reports

### Requirements for the position

- Bachelor's or Master's degree in material or packaging technology
- Basic knowledge on sustainability aspects of packaging, e.g. recyclability is mandatory
- Practical or international experience, e.g. by former internships or semester abroad, is beneficial
- Fluent business English and basic knowledge of German is mandatory
- Firm knowledge of MS-Office applications, especially Excel and PowerPoint
- Strong communication and analytical skills
- Self-motivated, creative and open-minded team-player with a high level of independence
