

Let's grow together.

Intersnack

Working Student Packaging (all gender)

Düsseldorf or Cologne

Part-time

About us

People throughout Europe enjoy savoury snacks made by the Intersnack Group every day. With an annual net sale of € 2.8 billion Intersnack Group is one of the leading European manufacturers of savoury snacks. Our Intersnack Group packaging team has a great opportunity for a Junior Packaging Expert (all gender) at the Dusseldorf or Cologne office.

As part of our group-wide team, you will be responsible for the organisation in terms of development and implementation of global packaging initiatives and strategies, as well sustainable packaging projects.

In this role, you will work closely with Region Packaging Teams, Operations, Engineering, Purchasing and Group Procurement to create new business opportunities and develop packaging solutions and has a direct line to Head of Group Packaging Innovation. If you have just completed your studies, it is also possible to start as a trainee.

Main Responsibilities

- Support of the development and implementation of global packaging initiatives and strategies, as well sustainable packaging projects
- Assisting with a specific project, e.g. defining and setting packaging standards, sustainable packaging, e.g. use of recycled plastic, recyclability assessment, alternative packaging materials, etc.
- Collaboration with market monitoring, analysis and transfer of market trends to our packaging portfolio
- Support in the creation and maintenance of packaging standards in existing systems
- Assisting in the evaluation of packaging data to set standards
- Help in preparation of management reports

Requirements for the position

- Currently enrolled student in a Bachelor's or Master's degree programme in material or packaging technology
- Interest in sustainability aspects of packaging, e.g. recyclability
- Practical or international experience, e.g. by former internships or semester abroad, is beneficial
- Fluent business English and Basic knowledge of German is mandatory
- Firm knowledge of MS-Office applications, especially Excel and PowerPoint
- Strong communication and analytical skills
- Self-motivated, creative and open-minded team-player with high level of independence
